Fuel Tank Capacity	3.0 L (0.8 US gal)	

## Color

- 67cm<sup>3</sup> air-cooled 4-stroke two-valve engine - adequately sized and packed with torque.
- Combination of 67cm<sup>3</sup> engine power and 10-inch front wheel makes for ample tractable power on various terrain.
- An automatic clutch and a smooth-shifting 3-speed transmission put the fun-riding power to the terrain.
- Push-button electric starter and traditional kick starter - a convenient dual starting system offering flexibility when teaching the basics.
- The starter lever is conveniently located on the handlebars for easy accessibility.
- Chassis designed for user-friendly dimensions and to realize a lightweight electric-starter-equipped machine.
- Adequately sized with a 560mm (22.0 in) seat height for beginners and skilled riders.
- Sleek, super-cool race style appearance inherited from its RM-Z big brothers, adorned in Championship Yellow or Black.

Champion Yellow No.2 (YU1)
